## INDEPENDENT AUDITORS' REPORT

Board of Directors  
Youth Haven, Inc. and Affiliate  
Naples, Florida

### Report on the Audit of the Consolidated Financial Statements

#### ***Opinion***

We have audited the accompanying consolidated financial statements of Youth Haven, Inc. and Affiliate (a nonprofit organization), which comprise the consolidated statements of financial position as of June 30, 2024 and 2023, and the related consolidated statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Youth Haven, Inc., as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of Youth Haven, Inc. and affiliate and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Responsibilities of Management for the Consolidated Financial Statements***

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Youth Haven, Inc. and affiliate's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

***Auditors' Responsibilities for the Audit of the Consolidated Financial Statements***

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Youth Haven, Inc. and affiliate's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Youth Haven, Inc. and affiliate's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### ***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating statements of financial position, consolidating statements of activities — net assets without restriction, consolidating statements of activities — net assets with purpose restriction, consolidating statements of activities — net assets with restrictions perpetual in nature, consolidating statements of cash flows, and consolidating schedules of expenses — unrestricted are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. The schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is also presented for purposes of additional analysis and is not a required part of the basic consolidated financial statements. The consolidating statements of financial position, consolidating statements of activities — net assets without restriction, consolidating statements of activities — net assets with purpose restriction, consolidating statements of activities — net assets with restrictions perpetual in nature, consolidating statements of cash flows, and consolidating schedules of expenses — unrestricted, and the schedule of expenditures of federal awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

### **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated **July 18, 2025** July 11, 2025, on our consideration of Youth Haven, Inc. and affiliate's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Youth Haven, Inc. and affiliate's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Youth Haven, Inc. and affiliate's internal control over financial reporting and compliance.

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Nature of Activities**

Youth Haven, Inc. (Youth Haven) was incorporated in 1969 as a Florida nonprofit corporation. The primary purpose was to provide temporary care and shelter for children in crisis and involved in the child welfare system. Youth Haven's mission is to *provide home, hope, and healing to abused and neglected children and teens in Southwest Florida*. Since 2009, Youth Haven has been accredited by the nationally recognized Council on Accreditation (COA). Grants, donor contributions, and program fees are the organization's primary sources of funding. Youth Haven Foundation, Inc. (the Foundation) was incorporated in 1993 as a Florida nonprofit. The sole purpose of the Foundation is to accumulate resources for the exclusive benefit of Youth Haven, Inc. Youth Haven is also a Medicaid certified provider for its counseling center. Overall, Youth Haven provides services to over 3,000 at-risk children and families each year. All of Youth Haven's programs are culturally sensitive, and many staff members are bi-lingual or tri-lingual. Youth Haven's programs include the following:

*Emergency and At Risk Shelter* – Youth Haven operates Collier County's only residential home for children ages 6 to 18 that have been placed in Youth Haven's care after being removed from their homes due to physical or emotional abuse, neglect, or abandonment. The shelter's licensed beds are available 24 hours a day, seven days a week. Children stay at the shelter an average of 120 days, depending on their age and circumstance, before being placed in foster care or with a relative. Children in Youth Haven's shelter receive comprehensive care including medical, dental, psychological, and educational support in an enriching home-like environment.

*Therapeutic Services* – Services include providing individual therapy to the clients residing at Youth Haven in the Emergency and At Risk Cottages or Rob's Cottage and at times family therapy when appropriate. Our professional clinical staff utilize tools such as Animal Assisted Therapy, EMDR, CPS, and Play Therapy techniques. Professional clinical staff includes behavior therapists, Master's level licensed clinicians, and a consulting psychiatrist. All program staff have extensive experience in the treatment of young children. Services are provided to the community on an outpatient basis as well as for children residing in the emergency shelter.

*Homeless Teen Transitional Living Program* – This program accommodates ages 16 through 21. The program is based on the Positive Youth Intervention Model, from the United States Interagency Counsel on Homelessness. The program's overarching goal is to provide shelter and housing support combined with comprehensive services including outreach, prevention, family reunification, information and referral, case management, counseling, computer lab, tutoring and life skills training, and structured recreational activities. The program provides intensive Case Management with a strengths-based approach that meets the individual needs of the youth and encourages them to set and pursue their own goals. With a Positive Youth Development Perspective, the focus is on a young person's strengths and potential. Also available are drop in services for unaccompanied homeless youth out in the community needing support and services.

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Principles of Consolidation**

The accompanying consolidated financial statements include the accounts of Youth Haven, Inc. and the Foundation (together, the Organization), after elimination of intercompany accounts and transactions.

**Basis of Accounting**

The Organization's consolidated financial statements have been prepared on the accrual basis of accounting, which recognizes revenues when earned, regardless of when received, and expenses when incurred, regardless of when paid.

**Financial Statement Presentation**

Net assets and revenues, gains, and losses are classified based on donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

*Net Assets Without Donor Restrictions* – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve.

*Net Assets With Donor Restrictions* – Net assets subject to donor – (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

**Liquidity**

Assets are presented in the accompanying consolidated statements of financial position according to their nearness of conversion to cash, and liabilities according to the nearness of their maturity and resulting use of cash.

**Cash and Cash Equivalents**

For purposes of the consolidated statements of cash flows, the Organization considers all bank and similar deposits, demand accounts, money market funds, and short-term investments with an original maturity of three months or less to be cash equivalents. The Organization maintains bank accounts with balances, which, at times, may exceed federally insured limits.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
JUNE 30, 2024 AND 2023**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Grants and Contracts Receivable**

Grants and contracts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible program service fees receivable amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. The allowance is based on prior years' experience, management's individual analysis of each receivable, and management's evaluation of collectability.

**Other Receivables, Net**

Other receivables are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible receivable amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. The allowance is based on prior years' experience, management's individual analysis of each receivable, and management's evaluation of collectability. As of June 30, 2024 and 2023, the allowance was \$0.

**Split-Interest Agreements**

The Organization's split-interest agreements with donors consist of charitable remainder trusts and charitable lead trusts. The underlying assets consist of securities and real estate. The present value of expected future cash inflows under these agreements is calculated using a discount rate of 5.6% and 4.2% at June 30, 2024 and 2023, respectively. Gains or losses resulting from changes in actuarial assumptions and accretions of the discount are recorded as increases or decreases in the value of split-interest agreements in the consolidated statements of activities.

**Investments**

Investments are originally recorded at cost if purchased or, if donated, at fair market value on the date received. The Organization carries investments at fair value determined by quoted market prices. Investment income may be either with or without donor-restricted resources when earned, determined according to the donor's imposed restrictions. Realized and unrealized gains and losses are recognized in the period in which they occur in the consolidated statements of activities.

**Fair Value Measurements**

The Organization categorizes its assets and liabilities measured at fair value into a three-level hierarchy based on the priority of the inputs to the valuation technique used to determine fair value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used in the determination of the fair value measurement fall within different levels of the hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement.

**YOUTH HAVEN, INC. AND AFFILIATE**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**JUNE 30, 2024 AND 2023**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Fair Value Measurements (Continued)**

Assets and liabilities valued at fair value are categorized based on the inputs to the valuation techniques as follows:

*Level 1* – Quoted prices (unadjusted) in active markets for identical assets or liabilities that we can access at the measurement date.

*Level 2* – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability, and market-corroborated inputs.

*Level 3* – Unobservable inputs for the asset or liability. In these situations, we develop inputs using the best information available in the circumstances.

Subsequent to initial recognition, the Organization may remeasure the carrying value of assets and liabilities measured on a nonrecurring basis to fair value. Adjustments to fair value usually result when certain assets are impaired. Such assets are written down from their carrying amounts to their fair value.

We use net asset value (NAV) per share, or its equivalent, such as member units or an ownership interest in partners' capital, as a practical expedient to estimate the fair values of certain hedge funds, private equity funds, funds of funds, and limited partnerships, which do not have readily determinable fair values. Investments that are measured at fair value using NAV per share as a practical expedient are not classified in the fair value hierarchy.

**Leases**

The Organization leases various storage space and equipment. The Organization determines if an arrangement is a lease at inception. Operating leases are included in right-of-use (ROU) assets – operating and lease liability – operating on the balance sheet. Finance leases are included in right-of-use assets – financing and lease liability – financing on the balance sheet.

ROU assets represent the Organization's right to use an underlying asset for the lease term and lease liabilities represent the Organization's obligation to make lease payments arising from the lease. ROU assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. Lease terms may include options to extend or terminate the lease when it is reasonably certain that the Organization will exercise that option. Lease expense for operating lease payments is recognized on a straight-line basis over the lease term. The Organization has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases will not be included as lease liabilities or ROU assets on the balance sheet.

**YOUTH HAVEN, INC. AND AFFILIATE**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**JUNE 30, 2024 AND 2023**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Leases (Continued)**

Individual lease contracts may not provide information about the discount rate implicit in the lease. In these instances, the Organization has elected to use a risk-free discount rate determined using a period comparable with that of the lease term for computing the present value of the lease liabilities.

The Organization has elected not to separate nonlease components from lease components and instead will account for each separate lease component and the nonlease component as a single lease component.

**Property and Equipment, Net**

The Organization records equipment at cost when purchased, or at fair market value when donated. Donated assets are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as support with restriction. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor use restrictions when the donated or acquired assets are placed in service. The Organization reclassifies net assets with restriction to net assets without restriction at that time. The Organization may receive contributions of works of art or similar assets that are not part of a collection. These assets are accounted as held and used and are not depreciated.

The Organization capitalizes assets over \$2,500 or more and a useful life of one year or more. Buildings, improvements, vehicles, and equipment are depreciated using a straight-line method over the estimated useful lives of the respective assets, ranging from 3 to 40 years. Expenditures for major renewals and betterments that extend the useful lives of buildings and equipment are capitalized.

**Program Service Fees and Grant Revenue**

Fees for counseling services are recorded at standard rates. These rates are reduced based upon the amounts estimated to be nonreimbursable by Medicaid under the provisions of the applicable usual, customary, and reasonable fee profiles for services rendered.

A portion of the Organization's revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/ or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurrence expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statements of financial position. The Organization did not have any grants received in advance for the years ended June 30, 2024 and 2023.

**YOUTH HAVEN, INC. AND AFFILIATE**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**JUNE 30, 2024 AND 2023**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Contributions**

Contributions are recognized when the donor makes the donation to the Organization. All donor-restricted contributions are reported as increases in net assets with donor restrictions. Restricted contributions are reported as support with restriction and are then reclassified to net assets without restrictions upon expiration of the time or use restriction. However, contributions with restrictions whose restrictions are met in the same reporting period are shown as unrestricted support.

Contributed services are recognized only if services received create or enhance nonfinancial assets or require specialized skills, and are provided by individuals possessing these skills, and would typically be purchased if not provided by donations. Contributed services meeting the requirement for recognition in the consolidated financial statements are recorded at the fair market value of professional services rendered. During the years ended June 30, 2024 and 2023, no amounts met these criteria.

Donations of personal property are recorded as contributions at fair value at the date of donation. Such donations are reported as increases in net assets without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use, or the use of proceeds derived from the sales of such assets, are reported as restricted contributions. At the time of sale, the Foundation records any gain or loss related to the sale of the donated asset.

**Functional Allocation of Expenses**

The cost of providing program and support services has been summarized on a functional basis. The expenses are charged directly to program, supporting and administrative, and fundraising categories based on specific identification. Indirect costs are those that have been incurred for common or joint objectives and cannot be readily identified with a particular final cost objective (i.e., depreciation, personnel administration, and accounting). Indirect costs have been allocated based upon square footage or full-time equivalents by function.

**Advertising Costs**

It is the policy of the Organization to expense advertising costs when incurred.

**Estimates**

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**JUNE 30, 2024 AND 2023**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Income Taxes**

The Internal Revenue Service (IRS) has determined Youth Haven and the Foundation are exempt from income taxes under the provisions of Section 501(c)(3) of the Internal Revenue Code (IRC). In addition, Youth Haven and the Foundation have been determined by the IRS not to be private foundations within the meaning of Section 509(a) of the Code. Accordingly, no provision for income taxes has been made in these consolidated financial statements.

Youth Haven and the Foundation follow the income tax standard regarding the recognition and measurement of uncertain tax positions. This guidance clarifies the accounting for uncertainty in income taxes recognized in an organization's consolidated financial statements. Youth Haven and the Foundation evaluated their tax positions and determined they have no uncertain tax positions as of June 30, 2024 and 2023.

Youth Haven's and the Foundation's income tax returns are subject to review and examination by federal and state authorities. Youth Haven and the Foundation are not aware of any activities that would jeopardize their tax-exempt status. Youth Haven and the Foundation are not aware of any activities that are subject to tax on unrelated business income or excise or other taxes.

**Subsequent Events**

In preparing these consolidated financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through July 11, 2025, the date the consolidated financial statements were issued.

**Reclassifications**

Certain reclassifications of amounts previously reported have been made to the accompanying consolidated financial statements to maintain consistency between periods presented. The reclassifications had no impact on previously reported net assets.

**NOTE 9    ENDOWMENT**

As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions. The Organization has an endowment fund (the Fund) which is donor-imposed permanently restricted with only the investment income available for operations. There is no board-designated endowment. The balance of the endowment fund at June 30, 2024 and 2023 was \$458,805 and \$441,916, respectively.

**Interpretation of Relevant Law**

The board of directors has interpreted the relevant law as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as net assets with restriction perpetual in nature (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in net assets with restriction perpetual in nature is classified as net assets with purpose restriction.

**Funds with Deficiencies**

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires the Organization to retain as a fund of perpetual duration. In accordance with accounting principles generally accepted in the United States of America, as of June 30, 2024 and 2023, there were no deficiencies of this nature reported in net assets with restrictions.

**Investment Policies**

The Organization has established an investment policy to determine investment or reinvestment of the assets in accordance with such guidelines, policies, and procedures that are authorized by the board. These guidelines, policies, and procedures shall attempt to provide a predictable stream of funding to programs supported by the endowment funds.

**NOTE 9    ENDOWMENT (CONTINUED)**

**Spending Policy**

The Organization has a policy of appropriating endowment earnings for distribution each year. In establishing this policy, the Organization considered the long-term expected return on its endowment. Approved distributions that are not used for a calendar year will accumulate and be available for distribution in subsequent years. At no time will the distributions reduce the value of the endowment below donor contributions.

Endowment net asset composition by fund type as of June 30 is as follows:

**NOTE 10 BENEFIT PLAN**

The Organization has adopted a retirement plan under Section 403(b) of the IRC. The plan was established on July 1, 2001. Employees with six months of services who have attained the age of 21 years are eligible to make contributions to the plan and to receive matching contributions from the Organization.

The Organization can match contributions up to 6% of the qualified employees' compensation subject to certain limitations. Participant vesting of employer contributions occurs at a rate of 25% per completed year. Therefore, after completion of four qualified years of service, the employee is fully vested.

The Organization contributed \$87,077 and \$88,353 to the plan during the years ended June 30, 2024 and 2023, respectively. At June 30, 2024 and 2023, there was no accrued liability related to the retirement plan. Although the Organization has expressed no intent to do so, the plan may be terminated at any time.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors  
Youth Haven, Inc. and Affiliate  
Naples, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Youth Haven, Inc. and Affiliate (a nonprofit organization), which comprise the consolidated statement of financial position as of June 30, 2024, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated July 11, 2025.

***Report on Internal Control Over Financial Reporting***

In planning and performing our audit of the consolidated financial statements, we considered Youth Haven, Inc. and Affiliate's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of Youth Haven, Inc. and Affiliate's internal control. Accordingly, we do not express an opinion on the effectiveness of Youth Haven, Inc. and Affiliate's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

***Report on Compliance and Other Matters***

As part of obtaining reasonable assurance about whether Youth Haven, Inc. and Affiliate's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests did not disclose any instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

***Purpose of This Report***

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH  
MAJOR FEDERAL PROGRAM AND STATE PROJECT, AND REPORT ON INTERNAL CONTROL  
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND CHAPTER 10.650, RULES  
OF THE AUDITOR GENERAL OF THE STATE OF FLORIDA**

Board of Directors  
Youth Haven, Inc. and Affiliate  
Naples, Florida

**Report on Compliance for Each Major Federal Program and State Project**

***Opinion on Each Major Federal Program and State Project***

We have audited Youth Haven, Inc. and Affiliate's compliance with the types of compliance requirements described in the *OMB Compliance Supplement*, and the requirements described in the Florida Department of Financial Services' *State Projects Compliance Supplement* that could have a direct and material effect on each of Youth Haven, Inc. and Affiliate's major federal programs and state projects for the year ended June 30, 2024. Youth Haven, Inc. and Affiliate's major federal programs and state projects are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, Youth Haven, Inc. and Affiliate complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended June 30, 2024.

***Basis for Opinion on Each Major Federal Program and State Project***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and Chapter 10,650, Rules of the Auditor General. Our responsibilities under those standards and the Uniform Guidance and Chapter 10.650, Rules of the Auditor General, are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Youth Haven, Inc. and Affiliate and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program and state project. Our audit does not provide a legal determination of Youth Haven, Inc. and Affiliate's compliance with the compliance requirements referred to above.

***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to Youth Haven, Inc. federal programs and state projects.

***Auditors' Responsibility for the Audit of Compliance***

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Youth Haven, Inc. and Affiliate's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance and Chapter 10.650, Rules of the Auditor General will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Youth Haven, Inc. and Affiliate's compliance with the requirements of each major federal program or state project as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance and Chapter 10.650, Rules of the Auditor General, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Youth Haven, Inc. and Affiliate's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Youth Haven, Inc. and Affiliates' internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.650, Rules of the Auditor General, but not for the purpose of expressing an opinion on the effectiveness of Youth Haven, Inc. and Affiliate's internal control over compliance. Accordingly, no such opinion is expressed.

***Report on Internal Control Over Compliance***

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS AND STATE FINANCIAL**  
**ASSISTANCE**  
**JUNE 30, 2024**

**NOTE 1    PURPOSE OF SCHEDULE**

The accompanying combined schedule of expenditures of federal awards and state financial assistance (the Schedule) includes the federal award and state financial assistance activity of Youth Haven, Inc. and Affiliate under programs of the federal and state government for the year ended June 30, 2024. The information in this Schedule is presented in accordance with the requirements of 2 CFR Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and Chapter 10.650, Rules of the Florida Auditor General. Because the Schedule presents only a selected portion of the operations of Youth Haven, Inc., it is not intended to, and does not, present the financial position, changes in net assets, functional expenses, or cash flows Youth Haven, Inc. and Affiliate.

**NOTE 2    SUMMARY OF SIGNIFICANT ACCOUNTING**

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. Youth Haven, Inc. has not elected to use the 10% de minimis indirect cost rate as allowed under the Uniform Guidance. During the year ended June 30, 2024, there were no funds passed through to sub recipients.
