# About Youth Haven

## HOME, HOPE AND HEALING.

Established in 1972, Youth Haven offers a safe harbor for abused, abandoned and neglected children and teens in Southwest Florida. A 15.5-acre therapeutic campus meets the growing needs of our community to provide services and programming for youth who have been removed from their homes due to no fault of their own. Youth Haven is an immediate lifeline of safety, love and compassion and is the first step in a long journey back to trust, confidence and joy for the children and teens who call Youth Haven home. Youth Haven is fully-accredited by the nationally-recognized Council on Accreditation (COA), a member agency of the United Way of Collier and the Keys, and a Naples Children & Education Foundation beneficiary.

### Foster Care Group Home

- Collier County's only emergency home for children and teens ages 10-18 placed in Youth Haven's care by the State of Florida after being removed from their homes due to abuse, neglect, or abandonment.
- 54 beds are available 24-hours a day, seven days a week.
- The children receive comprehensive care including nutritious meals, clothing, educational support, medical care, dental care, mental health care, and more; all in an enriching home-like environment.

### Homeless Teen Group Home

- Southwest Florida's only residential home for unaccompanied homeless teens ages 16 - 20.
- 16 beds are available 24-hours a day, seven days a week.

### Therapeutic Campus

- Four cottages with 70 total beds available for abused, neglected, abandoned and homeless children and teens.
- Youth Haven's licensed therapists begin the process of mending traumatized lives through traditional as well as cutting-edge, innovative therapies.
- Counseling for all children & teens includes traditional, animal-assisted therapy and art programs
- Specialized therapies include certified Animal-Assisted Therapy and certified Play Therapy for young children.
- Homeless Teen & Transitional Program (HTTLP), the only program in Collier County for youth experiencing homelessness and in need of assistance in their transition to adulthood.
- Intensive case management with a strengths-based approach that meets the individual needs of youth and encourages them to set and pursue their own goals.
- Teen Drop-in Center offers homeless youth a safe place to shower, launder clothes, study, and socialize.
